

## **ARRIVE AND DRIVE ENDURO CLASS**

**On October 8th 2011, the Mosport International Karting Association (MIKA) will be hosting the 4th Annual Mosport Enduro. As per tradition, the track configuration will be the "Full Track Reverse".**

**Entry fee is \$55.00 per driver. 18 years and over.**

**Registration will open at 8:00am, Drivers Briefing will be at 8:45am and Practice will start at 9:00am. Each class will have 2 practice sessions followed by a 60 minute endurance race. Two man teams.**

**There is one mandatory green-flag pit stop, and just like last year, competitors will enter the pit lane, drive to the gate, get out of the kart, then push the kart up the hill to the other gate. This is where the driver changes takes place if applicable.**

**So come on out and enjoy what promises to be a great event as drivers push themselves and their karts to the limits. We look forward to seeing you.**
